

2017

Regenerative Medicine in Pelvic Organ Prolapse

Hands-On Instructional Courses

Who Should Attend

The educational activity is intended for any surgeon who regularly performs pelvic floor reconstruction procedures. Urogynecologists and FPMRS Specialists would find this course beneficial.

Course Description

Under the direction of course faculty, attendees will participate in didactic sessions and cadaver labs highlighting the latest extracellular matrix technologies for vaginal posterior and anterior pelvic organ prolapse repairs.

Course Objectives

Upon completion of this course, attendees will be able to:

- Identify patient selection criteria when utilizing ACell® Pelvic Floor Matrix devices.
- Apply novel surgical techniques.
- Discuss the regenerative properties of Urinary Bladder Matrix and its potential benefits in clinical applications.
- Address benefits and challenges of various materials for pelvic organ prolapse repair.
- Confidently handle and implant ACell Pelvic Floor Matrix devices.

How to Register

Please contact your local ACell representative for a registration link to complete registration.

Healing Through Regenerative Medicine

Travel and Logistics

Flight Arrangements

Registrants must make their flight arrangements through Corporate Travel Management (CTM).

Accommodations

ACell will reserve hotel accommodations on behalf of registrants for Friday evening only.

Travel Compliance

ACell complies with the AdvaMed Code of Ethics on Interactions with Health Care Professionals (“the AdvaMed Code”), which prohibits ACell from paying for any travel or expenses for individuals who do not have a bona fide reason for attending the meeting or event.

In addition to the AdvaMed Code, ACell is required to report all value transfers provided to physicians as required under the Open Payments Act (formerly known as the Sunshine Act). To help ensure ACell is compliant with this requirement and to ease travel planning for you, ACell requires all attendees to book flights through the company’s designated travel agent.

Reimbursement

ACell will reimburse approved expenses following the completion of the course. The ACell reimbursement form and legible itemized receipts should be emailed to speakersbureau@acell.com.

Contact Information

Please contact our Professional Education team with any questions:

- **Email:** education@acell.com
- **Office:** 443-283-2783

In order for ACell to cover the cost of your flights, you must arrive on Friday afternoon by 5:30pm and depart Saturday afternoon after 2:30pm. We will not cover flights that are arriving a day prior to the lab or departing a day after the conclusion of the lab. ACell can only provide a one night hotel stay unless a reasonable return flight after the lab is unavailable. In addition to travel and lodging expenses, please know that ACell is only able to reimburse expenses related to your travel, and not for any guests. Guests are not permitted to attend any ACell educational events.

www.acell.com

Attendance at this event is by invitation only and limited to registered health care providers only. We are unable to accommodate guests or outside attendees. Thank you for your cooperation.
